Dear Mr. Hoover:

In the current issue <sup>Reader's Digest</sup> we have the most shocking, horrendous article about Meyer Lansky. I am amazed that such a condition could and does exist here in the U.S.A. What on earth is wrong with the F.B.I.? Have you checked out or has that . . . got you bluffed? It is most incredible that one man can be caught stealing a 40¢ box of cookies, stay in jail 1 year before a trial, then get 2 yrs. in the penitentiary, while another gets off with anything including murder.

Sincerely \*
